

Mapping Exercise

How do you use the Belmont Bridge? Tell us about destinations the bridge connects and the obstacles you face getting there.

Use **YELLOW** to identify your home.
(Place the dot at the edge of the map if your home is not shown).

Use **RED** to identify destinations you frequently travel to, or places you would like to travel.

Use a **POST-IT** to identify challenges or obstacles to getting around.

- Gaps in the bicycle or pedestrian network
- Unsafe intersections
- Parking issues
- Poor lighting
