

Continue the conversation at the Open House!

Join us at CitySpace on June 1st from 6:00pm to 8:00pm to **offer your feedback on the latest design concepts** for the new Belmont Bridge.

Since February, dozens of meetings and an online survey have provided more than 30,000 outreach data points and 1,000 written comments. The Open House will be your chance to see how the community's input has contributed to the latest design concepts and to offer feedback.

Join us at 6:00pm for a presentation followed by an open house to interact with the design team.

**Belmont Bridge
Open House**

Thursday, **June 1st**

6:00pm to 8:00pm

CitySpace

100 5th St NE, Charlottesville
