Replacing Belmont Bridge is a community priority, and a design decision must occur soon. The design needs to accommodate the changing needs of our community, integrate with downtown and surrounding neighborhoods, and add lasting value to our city's visual appeal.

The process includes three community events, an online survey, dozens of committee and stakeholder meetings, and several public hearings.

Community Events

COMMUNITY EVENT #1
Mobility Summit
March 11th
9:00am to 1:00pm
Sprint Pavilion
