<i>NDS Conference Room</i>	

PURPOSE

The second series of Small Stakeholder Group meetings occur at the beginning of the third step in the Belmont Bridge process. This step builds on the outcome of the design charrette and culminates with a presentation of the preferred concept design at the June 1st Open House. The Small Stakeholder Group meetings will focus on reviewing the refined concept and offering guidance to the project team. This guidance will be used to make changes to the preferred concept prior to the Open House.
