MEETING INFORMATION

Date: March 21, 2018
Location: CitySpace Meeting Room (100 5th Street NE, Charlottesville, VA 22902)
Time: 6:00 p.m. to 8:00 p.m.

PURPOSE

Steering Committee Meeting #6 will provide an opportunity for the Steering Committee to be briefed on the current project status, schedule and the design that will be presented at the Design Public Hearing in May 2018. This meeting includes reporting out feedback and development from conceptual and preliminary design efforts focused on both bridge engineering and roadway engineering. The goal of this meeting is to provide a project update, receive any further input on public hearing level design elements, and provide input on draft public hearing displays prior to the public hearing. We will also take public input from those in attendance.
