CATON CONSTRUCTION GROUP

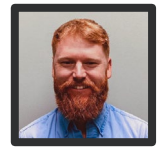
About Us



Caton Construction Group (CCG) is a local general contractor licensed in Virginia, North Carolina, and West Virginia. CCG's areas of expertise include Bridge Construction, Heavy Highway Construction, Utility Construction, and Commercial Building. Founded in Charlottesville in 1987, CCG has successfully completed a myriad of diverse projects in the Charlottesville area and throughout the state of Virginia.

CCG is also currently working in North Carolina and West Virginia. CCG holds "Pre-Qualified" status with VDOT and NCDOT and has bonding capability up to $100M. CCG's management team includes many licensed professionals with a proven track record in our industry. The CCG team is comprised of more than 200 people with an equipment fleet valued at over $12M.
